

**ROYAL METAL BUILDING COMPONENTS
GALVALUME SHEET
LIMITED WARRANTY**

The warranty offered is a pass through warranty issued by our supplier to Royal Metal Building Components, Inc.

Our supplier warrants to Royal Metal Building Components, Inc., who warrants to it's customer that the hot-dipped aluminum-zinc alloy-coated Galvalume and Galvalume Plus sheet steel with a coating weight of AZ50 sold for use as unpainted steel building panels erected within the continental United States, Alaska, Hawaii, Canada or the Caribbean, and exposed to normal atmospheric conditions, WILL NOT rupture, fail structurally, or perforate due to corrosion within a period of 20 years and 6 months after shipment from our mill. For a coating weight of AZ55, this period is extended to 25 years and 6 months.

This warranty DOES NOT APPLY to sheets exposed at any time to corrosive or aggressive atmospheric conditions, including, BUT NOT LIMITED TO:

1. areas subject to salt water marine atmospheres or to constant spraying of either salt or fresh water.
2. areas subject to fallout or exposure to corrosive chemicals, fumes, ash, cement dust, animal waste or its decomposition by-products, carbon black, or fallout from copper, lead, nickel or silver mining or refining operations.
3. Areas subject to waste run-off from lead or copper flashings or piping or areas in contact with lead or copper.
4. conditions/circumstances where corrosive fumes or condensates are generated or released inside the building.

This warranty DOES NOT APPLY in the event of:

1. bends less than 2T inside bend diameter for sheet thicknesses 0.030" and thinner, and less than 4T of sheet thicknesses greater than 0.030.
2. roof or sections of the roof flatter than ¼:12 slope.
3. mechanical, chemical, or other damage sustained during shipment, storage, forming, fabrication, or during or after erection.
4. forming which incorporates severe reverse bending or which subjects the metallic coating to alternate compression and tension.
5. failure to provide free drainage of water, including internal condensation, from overlaps and all other surfaces of the sheets or panels.
6. failure to remove debris from overlaps and all other surface of the sheets or panels.
7. damage caused to the metallic coating by improper forming (including, but not limited to, roll forming, press braking, or embossing) or scouring or cleaning procedures.
8. deterioration of the panels caused by contact with green or wet or pressure-treated lumber, or wet storage stain caused by water damage or condensation.
9. presence of damp insulation, soil, vegetation or other corrosive materials in contact with or in close proximity to the sheets or panels.
10. deterioration to the panels caused directly or indirectly by panel contact with fasteners or by overdriving the fasteners so as to damage the panel. Selection of suitable long-lasting fasteners to be used with Galvalume panels rests solely with the Buyer. Fasteners are to be electrically insulated from the panel surface (e.g. with elastomeric grommets) to prevent dissimilar metal contact.

11. Failures caused by acts of God, falling objects, external forces, explosions, fires, riots, civil commotions, acts of war or radiation.

This warranty shall be subject to the stipulations, limitations, and conditions hereinafter set forth:

1. This warranty shall be interpreted and enforced in accordance with the laws of the State of Texas, U.S.A. which shall have exclusive jurisdiction and venue over the enforcement of this warranty.
2. This warranty is contingent on the proper maintenance of the building which is to be provided by the building owner.
3. Royal's liability for breach of this warranty shall be limited exclusively to the cost of either repairing nonconforming panels, or at Royal's sole option, of furnishing FOB Royal's plant sufficient sheet product to enable Buyer to fabricate replacement panels for the nonconforming panels.
4. Royal will be responsible for replacement of material only. Royal shall not in any event be liable for the cost of labor expended by others on any nonconforming material or for any special, indirect or consequential damages to anyone by reason of the fact that such material shall have been nonconforming.
5. This warranty also applies to the material repaired or used to replace the nonconforming material, but only for the unexpired portion of the warranty period applicable to the original material.
6. In order for Royal to honor any claim on material shipped, Buyer must meet the following claim criteria:
 - Promptly document the claim with identification of material, Date of installation, Royal order number, coil number, Invoice number and date of shipment. Royal shall be Given a reasonable opportunity to inspect the material Claimed to be nonconforming.

- 7. In accordance with the UCC Sales Section, Buyer shall have an obligation to inspect the material and to use reasonable care to protect any rejected material until Royal has time to conduct its own inspection and make disposition.
- 8. Royal reserves the right to terminate this warranty at any time (except as to orders already accepted) upon the giving of written notice thereof.
- 9. Royal extends this warranty solely to its customer. This warranty is non-transferable and non-assignable.

ROYAL METAL BUILDING COMPONENTS, INC MAKES NO GUARANTEES, EITHER EXPRESSED OR IMPLIED BEYOND THE FACT HERREOF: INCLUDING, WITHOUT LIMITATION, WARRANTIES OF FITNESS AND MERCHANTABILITY AND SHALL HAVE NOT OTHER LIABILITY WITH RESPECT THERETO.
